– Installation Provisions	105S-82681	0.8	2508	2006
Passenger Centerline Bench Seat	105S-82661	15.8	2500	39500
– Removable Seat Assembly	105S-82666	13.5	2500	33750
– Installation Provisions	105S-82681	0.8	2500	2000

7. SYSTEM DESCRIPTION

The centerline-mounted bench provides seating for four passengers, two on each side. Safety for each passenger is provided by means of 3-point safety belts. The bench is easily removable by use of quick-release locks that secure the bench to anchor fittings installed in the cabin floor.
